

Lesson 2. Who is Jesus? (Help kids see Jesus as central.)

Equipment: Bibles, an A4 paper each, pens, coloured pencils

Activity: (Some of the kids may know this activity. If so, let them teach you!) Give each family member an A4 piece of paper. Fold as shown in the illustration. By fold C, you have a house-shape. Talk about your house and what it's like all living there for a 21 day lockdown. Tell your children that the house is like our lives. The only way to do life and home and family God's way is to look at what is in the centre. Cut as illustrated in figure E and unfold the central piece of paper.

Why is Jesus the central figure in our life and faith-family?

(Use a real Bible book and practice looking up the verses together.)

- Isaiah 9:6-7 Seven hundred years before Jesus was born, this promise was made. What does each title mean to your family?
- Philippians 2:6-11 Look what God did for us! (make two columns with the headings “Down” and “Up”. Write the words showing how Jesus humbled himself in the down column and the words showing how God exalted him in the up column).
- Matthew 26:53-54 (Kids love this one and so do I) He could have called an army of angels to rescue him.

So why did he choose to die (and rise again) for us?

- 1 Peter 2:24 _____
- 1 John 5:11-12 _____
- Hebrews 12:2-3 _____

Only God could live a perfect life, die in our place for our sins, and defeat death so that we can share His LIFE forever! Thank you, Jesus!

2nd Family Challenge: Learn the order of the first 9 books in the New Testament (Matthew-Galatians). Over the next three weeks, we challenge families to learn the order of all 27 New Testament Books, 9 per week. This exercise really is worthwhile. Becoming more familiar with God's book and how to find verses is a lifeskill you will not regret investing a little effort in. Come up with creative rewards!

DIZZY SPELLS!

John 3:16

The Challenge → These kids are getting dizzy trying to solve this puzzle! Start at the center of the spiral and fill in the missing vowels. After you do, memorize the verse. (Hint: Read the verse in your Bible for help.)
