

Lesson 10. Prayer – Chats with God – How and Why...

I'm so excited to talk about prayer this week! What better gift than to be able to talk with the God who created us and knows us even better than we know ourselves. This God wants us to be the fullest most wonderful version of ourselves and our conversations with Him will change us and through us will change the world. AMEN!

Only one Bible Verse this week. Let it soak into your soul!

Philippians 4: 6-7 (CEV translation) Don't worry about anything, but pray about everything. With thankful hearts offer up your prayers and requests to God. Then, because you belong to Christ Jesus, God will bless you with peace that no one can completely understand. And this peace will control the way you think and feel.

How do we pray? We talk with God.

Wow, God! You are so awesome. Your love blows me away. When I look at all you created and all you have done for me, I just want to praise you and live for You!

But, Father, I let you down so easily. I get caught up in things of this earth and I forget about You and Your plan for me to bless the world through me. Please forgive me.

Thank you that you forgive me and make me new every day. Thank you for your love and for all you give to me. Thank you that You change my heart and give me joy.

Please hear the things that are on my heart and use me to help your kingdom come on earth as it is in heaven. Please bless those I love. Give us Your Peace, Joy & Hope.

Family Challenge: Pray together. Each say or write a line that starts with 'Wow, God!' Then a line that starts with 'Sorry God' and 'Thank you God' and 'Please God'.

Prayer is all about relationship and not results, because the answers to our prayers (the results) come out of our relationship with Him.

Get REAL with God and watch how He changes you and your world!
